

YOUR MOVE SIMPLIFIED

STEP 1

CLIENT CONSULTATION

We assess the scope of the project and discuss your time line.

STEP 2

BEHIND THE SCENES

We schedule your packing team, move team, and junk/trash haulers.

STEP 3

PRE-MOVE

We arrive to your home and work with you on decluttering, deciding what you will keep, donate, or toss. We pack up everything and prepare for the movers.

STEP 4

MOVE DAY

Movers arrive to move only what you need.

STEP 5

WELCOME HOME

We set you up in your new home by unpacking the boxes, putting away and organizing the things you need and love. We'll even set up the coffee station, hang the family photos, and make your bed.
